

Diana Bed Buddy

The Diana Bed Buddy Covers come in 3 very soft fabrics; fleece, knit and disposable. The fleece and knit can be machine washed and dried.

Note: All have Cuffed-End for easy closing.

Reusable Bead-Bag

4 Sizes:

- 33 inch
- 39 inch
- 47 inch
- 63 inch

The Diana Bed Buddy is the easiest positioning device to use. It quickly surrounds and interfaces with infant, providing a soft, rebounding surface. Developed at Princess Diana Hospital in the UK to keep baby's legs from extending over the Bed Buddy. It facilitates a NIDCAP recommended leg-tuck.

Notice the feet over the top - The Diana prevents this from occurring.

Diana Bed Buddy Infant Positioning Devices
