

Cuddle-Up "Hug"

With Adjustable or Removable Head Roll

The Cuddle-Up "Hug" is so easy to position, cuddle and hug your preemie as if they were still in the womb. It quickly surrounds and interfaces with infant, providing soft boundaries. Foot and side walls are memory foam sealed in our reusable material. Just wipe with any disinfectant and wash the cover and it's ready to go.

3 sizes: Ultra-Preemie, Preemie and Newborn

Packaged Covers

Reusable foot and sidewall support; Note high bottom to keep legs in a good fetal position
